Chip Hungerford – 99 Pleasant View Road – Thomaston

Mr. Hungerford addressed the board with concerns regarding the change in the turnover of staff. He inquired if there have been any issues or changes in contracts or any other issues brought to the board. He also inquired if there will be a plan in place based on exit interviews, discussions with those teachers, and the potential for any current plans to bring new teachers in and attract talent into the group. Mr. Hungerford also asked if there is a student teacher program in place or a socialized plan for the public to view. If not, can a plan be made to recruit teachers and staff which would attract and retain teachers that will be valuable to the teachers, staff and students.
