Grievance Procedure for Section 504, and Title VII Regulations

The Board of Education does not knowingly condone discrimination on the basis of race, color, religion, national origin, marital status, age, sex, sexual orientation, gender identity or expression, or disability in admission or access to, or treatment, or employment in its programs or activities.

Inquiries regarding compliance, including receipt and investigation of any complaint alleging non-compliance may be directed to the Director of Pupil-Personnel Services.

Definitions

A "grievance" is a complaint by an employee, or group of employees, or a student or group of students based upon an alleged violation of the provisions of Section 504, or Title VII, or The Americans with Disabilities Act.

The term "employee" is considered to apply to any employee of the Thomaston Board of Education. The term "student" is considered to apply to any student enrolled in the Thomaston Public Schools. The term "teacher" is considered to apply to any teacher employed by the Thomaston Board of Education. The "teacher", "employee", or "student" may include a group of teachers or a group of employees or a group of students who are similarly affected by a grievance.

An "aggrieved person" is the person or persons making the claim.

The term "days", when used in this article, shall, except when otherwise indicated, mean working days.

Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise under the provisions of Section 504, or Title VII.

The parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing herein contained shall be construed as limiting the right of the complainant having a problem to discuss the matter informally with any appropriate member of the administration.

Any complainant shall have the right at any time to present any grievance to such persons and through such channels as are designated for that purpose in this article.

Time Limits

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing.

If a complainant does not file a grievance in writing as provided herein within 30 days after the aggrieved person knew or should have known of the act or condition on which the grievance is based, then the grievance shall be considered waived.

Informal Procedure

Any student, employee or applicant to a program who feels that he/she has been discriminated against on the basis of race, color, national origin, sex, sexual orientation or handicap shall contact the building Principal/supervisor within 30 days of the alleged occurrence to discuss the nature of the complaint.

The Principal/supervisor shall maintain a written record which shall contain the following:

1. Full name and address of complainant.
2. Full name and position of person(s) who allegedly discriminated against the complainant.
3. A concise statement of the facts constituting the alleged discrimination.
4. Dates of the alleged discrimination.

At the time the alleged discrimination complaint is filed, Principal/supervisor shall review and explain the grievance procedures with the complainant and answer any questions. An investigation of the complaint shall begin as soon as practical, but in no case, more than ten (10) working days from the time the complaint was received. Within this time limit, the Principal/supervisor shall meet informally with the complainant and the individual(s) against whom the complaint was lodged and shall provide confidential counseling where advisable and shall finally seek an informal agreement between the parties concerned. Every attempt shall be made to seek a solution and resolve the alleged discrimination complaint at this level.

If the complainant is not satisfied with these initial informal procedures, within twenty (20) school days from the date of the original discussion with the principal/supervisor, more formal procedures may be initiated by the complainant to further explore and resolve the problem.
