Your name:
Date of visit:
Time of visit:

I'm wondering or would like feedback about:

Notes from observation:

Educate: Something I learned...

Challenge: Something that impacted my beliefs or practice...

Inspire: Something I will do next...

In a mission to **Educate** ourselves and our students, **Challenge** our mindset in regards to our beliefs and practice, and **Inspire** educators and students to reflect, grow, and succeed, we invite the educators of Thomaston Public Schools to take advantage of the opportunity to engage in peer classroom visits.

Peer Classroom Visitation Suggestions:

Prior To Visit:

- Decide what you would like to observe or what you would like feedback on
- Choose a teacher or teachers you would like to observe or ask someone to observe you
- Observer and Observee discuss goals and logistics
 - Timing
 - Topic/Goal and related plans
 - Define roles of observer and observee
- Coverage and Office Details
 - If the visit cannot be arranged without coverage, work with office staff to figure out a plan
 - Add names to visitor's log if needed for cross-building visits

During Visit:

- Observer observes and may take notes related to the goal on the Peer Classroom Visit Form
 - Notes stay between the two parties unless otherwise agreed upon

After Visit (if desired):

- Set a post observation meeting time
