Business and Financial Report

December 2021

Submitted by Todd Bendtsen, Business Manager

Business Report

Oil and Diesel Bids: We currently are paying \$1.67 a gallon and the pricing, if we locked in today for 2022-2023, is approximately \$2.41 a gallon for diesel and 2.34 for oil. This increase represents an approximately an additional \$22,000 to our budget.

Invoice from ACES @ Chase Inter District Magnet School: We received an invoice from ACES for \$59,390 for 10 students who attend the ACES at Chase Inter-district Magnet School. In checking with our attorney, he feels the formula they have utilized is in accordance with the law. Unfortunately, this is an unbudgeted expense

COVID Related Expenses: At the end of this report is a list of expenditures for the Elementary and Secondary School Emergency Relief Fund (ESSER) and the Coronavirus Relief Fund (CRF) Grants from the State of Connecticut.
