Eastern Connecticut State University - Graduate Programs

Graduate Programs enrolling now!

Eastern Connecticut State University is offering Master of Science Degree programs in Educational Studies with strands in DLL, ELA, RLA, ECE, STEM, SpEd, and EdTEC.

Master of Science degrees in Special Education K-12 Cross endorsement and Programs in TESOL and Bilingual Cross Endorsement are also available and completely online.

Current certified educators needing their master's degree are encouraged to begin their journey.

Information may be found on the [Eastern Graduate Website](#) or by emailing graduateadmission@easternct.edu

You may also inquire by phoning or emailing to the information listed below.

We hope you will join us!
