Child Identification

Child Find Project

The Thomaston Board of Education supports the Child Find Project as it is being implemented in the State of Connecticut.

The School District shall make every effort to locate, identify and evaluate exceptional children from birth through age twenty-one.

Referrals to the Planning and Placement Team shall be accepted from all appropriate school personnel, as well as from a child's parent(s); or from a physician, clinic or social worker, provided the parent so permits in order to determine a child's eligibility for special education and related services.
